

src/ui/listaction.h

```
graph TD; A[src/ui/listaction.h] --> B[QAction]; A --> C[QObject];
```

A diagram illustrating a C++ header file's dependencies. At the top, a dark gray box contains the text 'src/ui/listaction.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled 'QAction'. The right arrow points to a light gray box labeled 'QObject'. This visualizes that the 'listaction.h' header file includes or depends on the 'QAction' and 'QObject' classes.

QAction
